PUBLIC HOLIDAY	Minute To Win It	Plaster Painting	Spring in your Step	World of Giants
				
We are closed due to a public holiday	How many marbles can you pick up with your toes? How many bottles can you knock down with a ball in a stocking...that's tied to you like a tail? Can you get a ball from one end of the room to another, passing it from chin to chin without using your hands? The children will be placed in teams and earn points for their team throughout the activities.	Calling all creatives! Today is your day! Painting is the theme of the day with a range of different activities such as spray painting & dot painting. But who could forget Plaster painting with a range of at least 10 different figurines that we can paint!	Spring is Here! Spring is Here!  Make your own Mrs or Mr Grass Heads. And once you have created your grass head, sit back and watch them grow, maybe giving them a haircut every now and then.	Join us for an exciting day exploring all different types of sports and activities.  It will be unique and will include a range of fun sporting equipment and activities run by the Educators.  Join us for a fun packed day.
